

EUROPEAN POLITICAL COMMUNITY

Community Meeting

27 June 2024

- The **European Political Community** (EPC) first met in October 2022, and this will be its fourth meeting
- The Prime Minister will host leaders from across **Europe** at the EPC meeting on **Thursday 18 July at Blenheim Palace**
- The gathering will bring together around **50 leaders** from across the region to discuss shared challenges such as supporting Ukraine and tackling illegal migration
- Previous summits have been **instrumental in uniting Europe** against Putin's aggression, enhancing cooperation in Europe on energy security and tackling immigration crime
- The EPC is a valuable open format where their leaders can meet face-to-face to **resolve some of the shared challenges** we face across Europe

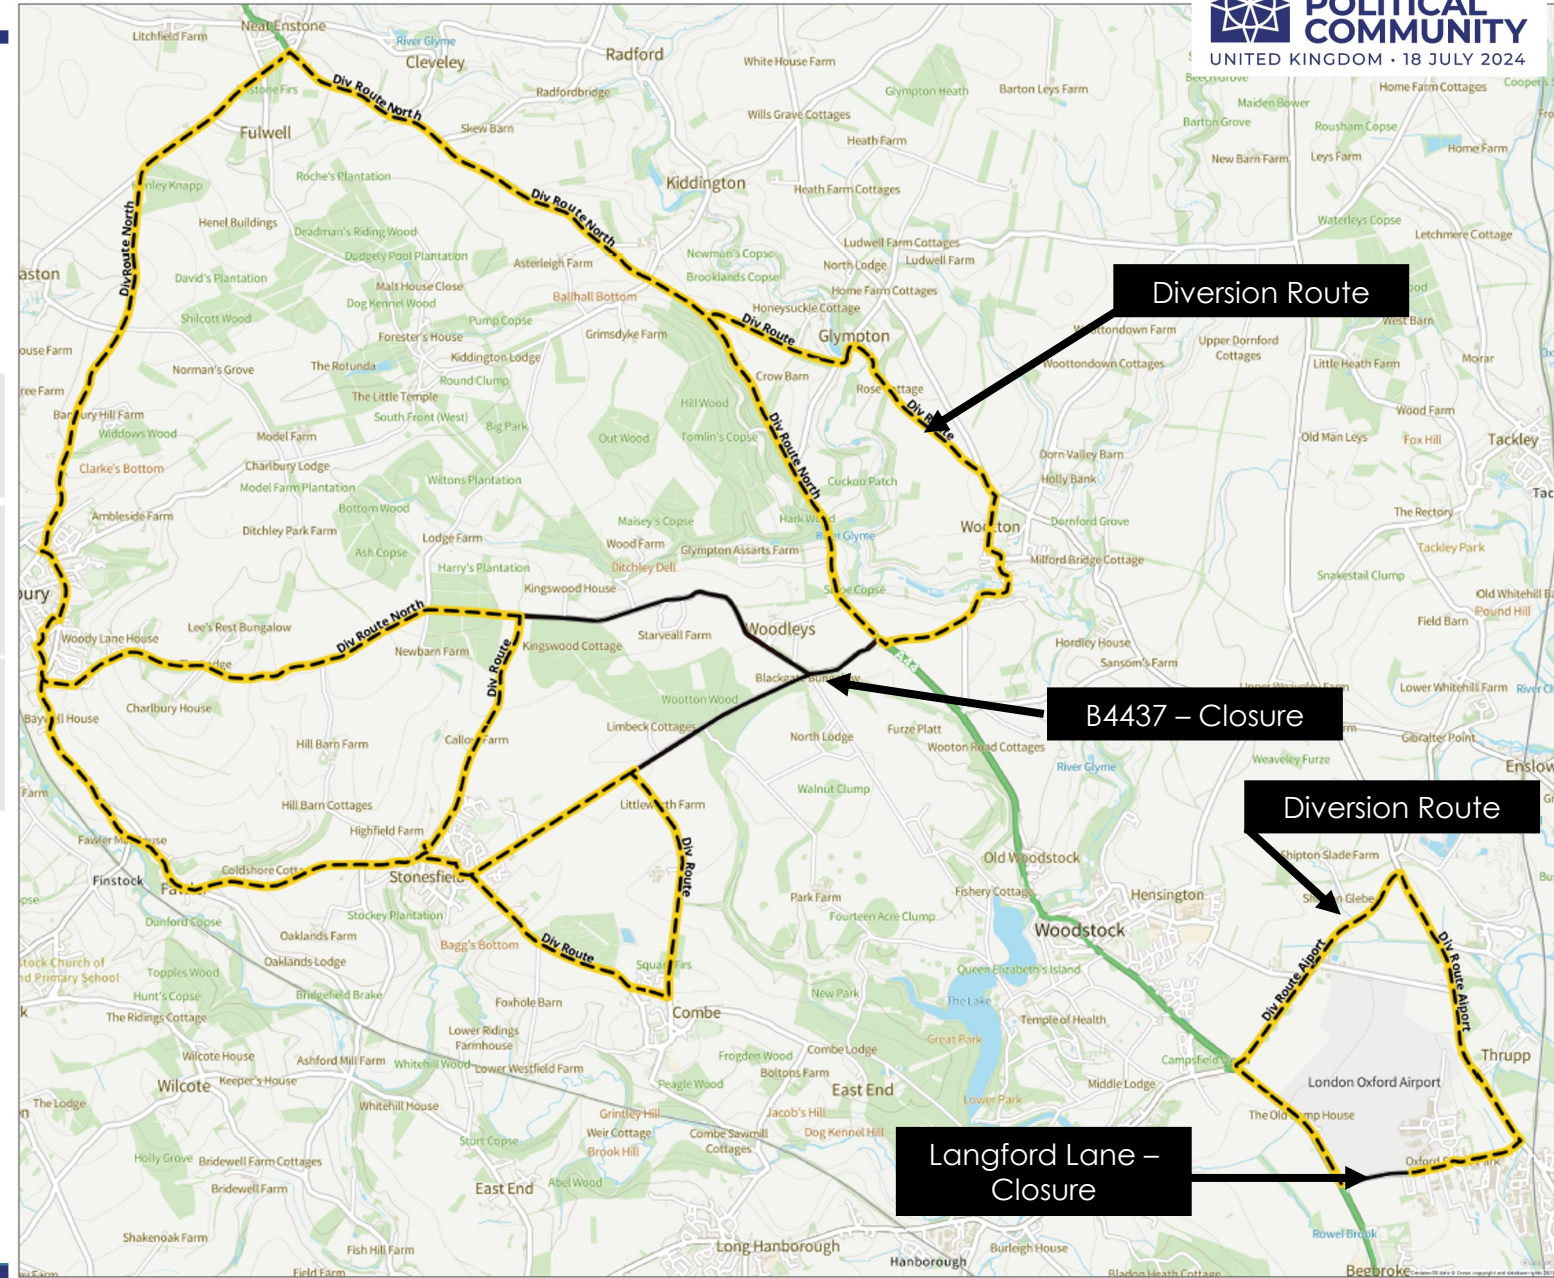

- **Increase in Police presence** in the local area
- The Police will be **enforcing the road closures** when in place - once established no traffic will be allowed through **apart from emergency services**
- All stakeholders are working hard to ensure local communities are aware of the operation to try and minimise the impact on the community
- Please approach any Police Officers if you have any questions
